Castro Safety

HSZC's efforts to keep us safe!

Prevention & Action

On Wed., May 1st the HSZC Zendo will be closed for evening Zazen and we will instead be hosting the neighborhood safety meeting at 5:00pm on the main floor of HSZC.

We have had an increase of neighborhood incidents and will meet to discuss measures we can take personally, to the building itself and raise awareness to increase safety on Hartford Street and surrounding areas:

This meeting will include Sgt. Chuck Limbert, Alan Beach of EVNA, Andrea from CBD, Greg from CCOP and John from Patrol Special and potentially some additional important neighborhood resources may join to help us work

**Stay tuned and
